AS I WALKED OUT

*Join us on an epic journey across  
your county this summer*

Part of the QUEST - seven journeys through the landscapes of the South West  
- a region-wide programme for the Cultural Olympiad

**AS I WALKED OUT....** is an eight week journey with four donkeys, chickens, carts, children, young people and nationally commissioned artists and writers travelling on foot across the six districts of Gloucestershire.

Along the way there will be six public weekend events, one in each district. At each site there will be art workshops, guided walks, donkey grooming, and opportunities to camp. We'd love you to join us for one or more of these activities or go the whole hog and volunteer to walk a leg of the journey with us. N.B. Camping spaces are limited and must be pre-booked.
